ADMISSIONS

Southland Christian Academy is a school designed for Christian young people, who come from Christian homes desiring a Christian education. Our concern is with the total development of the child academically, physically, socially, and spiritually.

We recognize that we cannot meet the educational needs of all students. We are not equipped to handle students with extraordinary disciplinary problems or those with certain learning handicaps. The administration reserves the right to deny admission to any child it feels cannot conform to the regulations of the school, the individualized program, or the church doctrine. Southland Christian Academy is not and cannot be a reform school.

New students entering Southland Christian Academy will be on academic watch for the first nine weeks. During this introductory period, we will evaluate your child's academic achievement and grade placement. If changes are necessary, appropriate decisions will be made with the parent and pupil involved. All new students are required to submit along with their paperwork, a copy of their state birth certificate, a valid immunization form, and a copy of their social security card.

ENROLLMENT PROCEDURES

Enrollment is conducted in three phases:

APPLICATION PROCEDURE

To apply, one should either come to the school office and pick up an application or print an application from our school website. This application should be returned to the school office in person, by mail, or by fax. When an application is received, it will be reviewed, and the parent or guardian will be contacted for the purpose of setting up an interview.

INTERVIEW PROCEDURE

All parents/guardians must be interviewed for the purpose of filling out and signing forms, collecting fees, getting acquainted and identifying the academic needs of the student. These interviews will be held with the Administrator. All students age 12 and up are required to interview with the school Administrator. This is also a get acquainted time. The parent and student interviews may coincide for convenience. After the interview process is complete and the student has been accepted, the student may register.

REGISTRATION PROCEDURE

After the interview, registration forms will be given to the parent/guardian to fill out. A student is not officially enrolled until these are turned in to the school office. The registration fee must accompany the registration papers. All papers must be completed and signed by two family members. Parents must read and comply with all rules, regulations, and procedures. Please take time to read all of the information provided.

REFUND POLICY

It is the standard policy of Southland Christian Academy that ALL REGISTRATION FEES, TESTING FEES, BOOK FEES, AND TUITION FEES ARE NON-REFUNDABLE.

ORIENTATION AND FIRST DAY OF SCHOOL

All students (K4-12th Grade) are required to attend Orientation. Students must be in uniform. Every student must have at least one parent attend. Parents and students are responsible for adhering to all policies covered at orientation, whether present or not. Information given will be imperative to the student's school year. Homeroom teachers will take roll like a normal school day. Students that do not attend will be counted absent (regular attendance policies apply). Orientation is held in the church auditorium the week that school starts.

(We try to be consistent with the Livingston Parish Public School calendar; however, we will vary at times.)

The normal school week schedule is as follows:

K4-2nd

Monday – Friday: 7:45 a.m. – 2:35p.m.

Students may not arrive before 7:35 a.m. and must be picked up by 2:50 p.m. unless other arrangements have been made.

3rd-12th Grade

Monday – Friday: 7:40 a.m. – 2:45p.m.

Students may not arrive before 7:25 a.m. and must be picked up by 3:00 p.m. unless other arrangements have been made.

LUNCHES

K4-2nd grade will have the opportunity to purchase hot lunches on a monthly basis. Lunches may also be brought from home. Microwaves will not be available due to state regulation.

Students in 3rd - 12th grade may bring a lunch from home or may choose from a variety of items available for purchase in the cafeteria. Funds must be put on student lunch accounts in advance. The office will keep a record of funds in each student's lunch account. Students will not be allowed to "charge" lunch items in excess.

OFFICE PROCEDURES

SCHOOL VISITORS

Any parent or visitor, including students from other schools, coming to the school during school hours **must** first see the secretary in the school office. Parents should always dress properly and modestly

when at the school. No one is permitted to loiter on school property at any time. Persons that do not check in at the school office when coming to the school will be subject to criminal prosecution. This is for the protection of our students.

Visitors are not permitted past the office while school is in session unless previous arrangements have been made, and under no circumstances are visitors allowed to interrupt classes – this includes parents. If any emergency should arise, please notify the school office, and they will get the student out of class. Parents may meet with the teacher to discuss particular problems and goals for their children. Parents desiring a conference should contact the school office for an appointment with the teacher. Teachers ARE NOT AVAILABLE for conferences with parents during morning or afternoon carpool. **Please do not call the faculty members at home.** If a parent has a concern about a teacher or staff member, they should consult with the school Administrator or Pastor.

PHONE USE

Students may not use the office phone. In the case of emergency, a staff member will make appropriate contacts.

COPIER USE

Students may not use the school copy machine.

LOST AND FOUND

Many items are left unattended during the school year. These items are collected and placed in the lost and found. If an item is not claimed, it will be disposed of. **Please label all items, articles of clothing, lunch boxes, etc. with your child's first and last name.**

MEDICAL GUIDELINES

All students must be vaccinated against DTP/TD, Polio, and Measles – Rubella, and must meet state vaccination requirements.

In instances where a student needs medical attention, the teacher or secretary will call the parent. Parents may be called to administer medication. Students are not allowed to have any medication in their possession on school grounds.

Only prescribed medications may be dispensed by the office with doctor and parental authorization only. A medical form must be filled out for each prescribed medication. All prescription medication must be kept in the office. No staff member will be allowed to administer any medicines to the student without written parental authorization. *SCA will only dispense prescription medicine that has been brought to the office by the parent.*

Any student returning to school after an illness must be fever-free with no vomiting for 24 hours.

Parents should try to schedule all doctors and dentist appointments for after school hours.

ATTENDANCE REQUIREMENTS

SCHOOL SCHEDULE

K-4 -2nd grades are in session daily from 7:45 a.m. – 2:35 p.m.

Student drop-off time is between 7:35 a.m. and 7:45 a.m. Student dismissal and carpool is from 2:35-2:50. All students must be picked up by 2:50 p.m.

3rd through 12th grades are in session daily from 7:45 a.m. – 2:45

p.m. Secondary Student drop-off time is between 7:25 a.m. - 7:40 a.m. All students must be picked up by 3:00 p.m.

ABSENCES

According to state law, based on a scholastic year of 177 days, a student must be in attendance in each class at least 167 days.

Therefore a student will only be able to miss 10 total days per year (K-8) or 5 days per semester (9-12), unless there is an extenuating circumstance. A student who does not meet attendance requirements will not be promoted to the next grade or receive credit for classes.

Extenuating circumstances include:

- Extended leave from school for physical illness, as verified by a physician.
- A hospital stay, as verified by a physician.
- Recuperation from an accident as verified by a physician.
- A contagious disease in the family as verified by a physician.
- Death in the immediate family (i.e., Grandparent, parent, sibling).
- Mandated court appearances as verified by a Court Official.

NOTE: Missing any days for these reasons would require proper official verification. We will only accept excuses up to 3 days after the student has been out. If no excuse is received during this time frame, the absences will be recorded as unexcused and will count towards the student's total

absences. If a doctor's excuse is faxed, it must come straight from the doctor's office, nowhere else. Also, there must be NO alterations on the excuse for it to be accepted. Absences that are granted an excused status for the above listed criteria and are officially verified ARE NOT counted in the student's total absences.

HIGH SCHOOL ABSENCES

To clarify high school absences, please note that our class absences are by individual class periods, not the full day. For example, if a student misses 6 unexcused days in first hour and only 5 unexcused days 2nd through 7th hour, they will have no credit for the first hour class period, but will receive credit for 2nd through 7th periods.

Students checked out for personal reasons, other than scheduled doctor's appointments or family emergencies without prior notice, may not be excused by the administration.

All missed work due to an excused absence may be made up according to school policy. That policy states, " Students are to have one day to make up assignments for each day the student was absent from the class. For example, if a student was absent from 5th hour for two days, that student has two 5th hour classes to make up the missed assignments." Homework assignments can be viewed on individual class websites.

Any missed tests or quizzes due to an excused absence must be made up at the next regularly scheduled testing lab. Any test or quiz that was announced before the absence and is scheduled to be given the day the student returns must be taken at the regularly scheduled time unless the absence is due to an extended illness or family emergency of 3 or more days.

Any K-8 student checking in after 10:30 or checking out before 10:30 will be considered absent for that day.

In order for a high school student to be counted present for a class, a student must be in attendance for a minimum of 30 minutes of the class period.

We ask that you please use good judgment in checking your child out of school. A reduction in class time can impose academic hardships on your child.

In the event a student fails based solely on the violation of the attendance policy and all other academic criteria have been met, the student may elect to attend summer school if offered. Successful completion of one (1) semester of summer school will allow the student to be given the credit withheld because of violation of the attendance policy.

SCHOOL TARDIES

K-4 and Kindergarten hours are from 7:45 a.m. – 2:35 p.m. The first bell rings at 7:45 to begin first period. 1st grade - 12th grade hours are from 7:40 a.m. – 2:50 p.m. The first bell rings at 7:40 to begin first period. Students are expected to be in their desks ready to start class when this bell rings. Any student not in place and ready for class to start may be given a tardy.

Students are allowed three (3) tardies to school PER QUARTER for ANY reason. **A detention will be issued on the 4th and 5th tardies. On the sixth tardy, a parent conference will be called and the student will be issued a one day suspension.** *The only tardies that will not be included in the tardy total are tardies caused by verifiable doctor/dental appointments, or for verifiable court appearances.*

CLASS TARDIES

Students are allowed 3 class tardies per quarter in any individual class with punitive options applied on the 4th tardy as follows:

- On Tardies 4-7, the student will serve a detention for each tardy.
- On the 8th tardy a one day suspension for that class.
- On Tardies 9-12 they will serve a detention for each tardy.
- On the 13th tardy a one day suspension for that class and so on until the end of the semester.

STUDENT PICK-UP AND DROP-OFF
